

# CASE STUDY

## Delivering Premium Visual Performance for Modern Boardrooms

AET, a leading LED display manufacturer, successfully installed its cutting-edge displays in the boardroom of a client in Indonesia.

## PRODUCT INFORMATION

AET's AT Series 55" QCOB P1.26mm displays were installed in a 9.79 m<sup>2</sup> area.  
Screen size: 4.84m (W) x 2.04m (H) | 4838.4mm x 2041.2m  
Features 72 cabinets with QCOB technology for enhanced durability and contrast.

## CHALLENGES

The team faced the need for an ultra-high-resolution display that delivers clear text and vivid imagery within a confined boardroom, while maintaining visual comfort for all participants.

## REQUIREMENTS

The client required a premium display solution to elevate boardroom aesthetics and support frequent smart display integrations for both internal and client-facing meetings.
